GENERAL INFORMATION

Vision Statement

To facilitate obedience to the Great Commission until Christ has been made known by reproducing gospel-preaching churches in every village, town & city across Africa.

Mission Statement

The mission of Central Africa Baptist College & Seminary is to glorify God by advancing the Gospel of the Lord Jesus Christ by equipping servant-leaders to be pastors, evangelists, educators and trainers of Christian leaders for service to Christ our King across Africa.

This is to be accomplished through a God-honoring, Christ-centered, Scripture saturated educational program and environment unashamedly committed to the passionate worship of God in truth, submission to the authority of Scripture, a life of personal holiness, the priority of the local church and the mission of evangelizing the world by making disciples and teaching them to observe all things that Christ has commanded.

Purpose Statement

Training the next generation of servant-leaders in Africa for Great Commission living.

Doctrinal Statement

- #1 We believe in the verbal plenary inspiration of the Holy Bible. The sixty-six books comprising the Old and New Testament canon were inerrant in the original writings and thus constitute the believer's final authority for faith and practice. (II Timothy 3:16-17)
- #2 We believe in the existence of one true and living God. (Deuteronomy 6:4) We also believe in the doctrine of the Trinity, that is, within the Godhead there exists three persons, Father, Son, and Holy Spirit, who in essence are co-equal and co-eternal yet exercising distinct though harmonious works.
- #3 We believe in God the Father, commonly spoken of as the first member of the Trinity. God is an infinite and perfect spirit Who is the source and support of all things. He is perfect in perfections and purposes. (Genesis 17:1; Psalm 139:7, 11; Acts 15:18; Ephesians 1:11)
- #4 We believe in Jesus Christ, commonly spoken of as the second member of the Trinity. He was and is the Eternal Son of God possessing both absolute deity and perfect humanity. He was born of the Virgin Mary, lived a sinless life and gave His life on Calvary as a sufficient sacrifice for the sins of the whole world. He arose bodily from the grave, ascended back into heaven and is today acting as the believer's advocate and Great High Priest. (John 1:1, 15a; 9:6; Hebrews 4:15; I Timothy 2:6; Luke 24:39; I John 2:1)
- #5 We believe in the Holy Spirit. As the third member of the Trinity, He is not just an influence but a person equal in essence to the Father and Son. He is actively involved in the world both in bringing the lost to Christ for salvation and in performing many wonderful ministries for the saints. He also gives gifts to believers and seeks to fill the obedient Christian giving him power for service. (Matthew 28:19; John 3:5; 16:8; I Corinthians 6:19; 12:7ff, 13; Ephesians 4:30; 5:18)

- #6 We believe in the existence of angels. Angels are spirit beings created by God for the purpose of bringing Him glory and fulfilling His purpose in the universe. They are more powerful than human beings but are not all powerful. (Psalm 103:20; 148:5; Hebrews 1:13-14)

- #8 We believe that within the body of angelic beings there exists a group which we refer to as fallen angels headed by Satan himself. Satan, also known as the devil, is a real person created by God as the angel Lucifer who because of rebellion, fell from that lofty position. When he fell he took part of the angelic hosts with him. Today these demonic hosts serve Satan just as the good angels serve God. Satan is in the business of opposing God and God's people in any way possible. His eternal destiny has already been determined in the lake of fire. (Isaiah 14:12-14; I Peter 5:8; Revelation 12:7; 20:10)

- #9 We believe that man is a direct creation of God. Man who was created in the image and likeness of God in a state of sinlessness or innocence did by transgression fall from that lofty position and in so doing all of mankind are now sinners by nature and by choice. In the fall, mankind incurred the just condemnation of a Holy God resulting in both spiritual and physical death. (Genesis 1:26-27; 3:1-19; Romans 5:12-19; 2:10-12, 23)

- #10 We believe in the salvation of sinners. The basis or ground of our salvation is the finished work of Christ on Calvary, and the avenue of our salvation is repentance toward God and faith in Jesus Christ. Salvation does not come by what we can do but by what He has done. It is offered freely to all. We are simply the recipients of His matchless grace. When we receive Christ as our Savior we are regenerated, justified, adopted, sanctified, and some day we shall be glorified. When we are genuinely saved we can never be finally lost because our destiny depends on His keeping power and not our own. (John 3:16; Acts 3:19; 4:12; 20:21; Romans 5:1; 8:15, 30; I Corinthians 6:11; Ephesians 2:8-9; Philippians 1:6; I Timothy 4:10; Titus 3:5-7)

- #11 We believe in the sanctification of the believer. Sanctification in the Bible has the idea of the believer's being set apart for God's service and thus becoming more like his Master. Sanctification can be viewed in three aspects. Positional sanctification occurs the moment a person is saved and he dons the robes of Christ's righteousness. Practical sanctification is an ongoing process whereby the believer becomes more and more conformed to the likeness of God's Son. Perfect sanctification shall occur someday when we go to be with the Lord (either through death or translation) and we no longer have to contend with the old nature because we shall become like He is. (I Corinthians 1:2; Philippians 3:20-21; II Peter 3:18; I John 3:2)

Distinctives

- #12 We believe that the universe as well as mankind is a result of the direct creative act of God. God created the universe and that which it contains in consecutive days of 24 hours each. We reject all forms of evolution whether theistic or naturalistic. (Genesis 1:1, 27; Colossians 1:16)

- #13 We believe God has given spiritual gifts to Christians to serve in and through the local church. Every believer has at least one gift and the use of the gifts is always for the

ultimate purpose of bringing glory to God. Among the gifts listed in the Bible, we believe that sign gifts (miracles, speaking in tongues, interpretation of tongues, prophecy) were temporary in nature and given to the church in its infant state before the completion of the canon of Scripture. Therefore, we reject the modern charismatic movement and the confusion which it has brought. (Romans 12:6-8; I Corinthians 12:1-11; 13:8; 2 Corinthians 12:12; Ephesians 2:20-21; 4:11-12; Hebrews 2:4)

- #14 We believe in the church of Jesus Christ as God's institution for this age to accomplish His purposes in the world. The church as the body of Christ is comprised of all believers from Pentecost to the Rapture. Local churches are visible expressions of the body of Christ meeting in a particular time and place. Christ is the Head of the Church and the Word of God is to be its source of authority. The local church is to be comprised of baptized (by immersion) believers who meet together for worship, fellowship, service, edification, and evangelism. Local churches are to be led by men serving in the Biblical offices of pastors (elders) and deacons. They are to observe the two ordinances of baptism and the Lord's supper. (Acts 1:5; 2:41-47; I Corinthians 11:17-34; 12:13; Galatians 1:2; Colossians 1:18; I Timothy 3:2, 8)

- #15 We believe that God has a plan and a program for the end of the ages. The next event on God's prophetic calendar is the return of the Lord Jesus. We believe this return will be accomplished in two phases. The first phase called the Rapture of the church will be pre-millennial and is an imminent event. After the Rapture, the seven year tribulation will occur climaxed by the second phase of Christ's return referred to as the Revelation. Following this will be the Millennial reign of Christ culminating in the Great White Throne Judgment of the lost. After this comes the eternal state. We believe in the conscious eternal punishment of the lost in hell and the blessed eternal felicity of the saints in heaven. (I Thessalonians 4:16-17; Revelation 3:10; 6-19; 19:11-16; 20:1-6, 11-15; 21:1-8)

- #16 We believe God has called believers to live a life characterized by personal, ecclesiastical and even familial separation. Personally we are to refrain from all things that would defile us or bring shame to the name of Christ which we bear. We are called to live a life characterized by holiness and purity and to be an example of what the believer is to be like to a watching world. Ecclesiastically we are called upon to refrain from cooperation or alliances with groups which do not stand unashamedly for the truths revealed in the Word of God. Thus we do not to cooperate with any organization or movement that is connected with apostasy or that places less than primary emphasis on the authority of the Word of God. We believe co-operation should be limited to those of like precious faith. (Romans 16:17; I Corinthians 6:19-20; II Corinthians 6:14-17; I Thessalonians 5:22; II Thessalonians 3:6, 14-15; I John 2:15, 17; II John 9, 10)

Philosophy of Education

The goal of Central Africa Baptist College is to provide an atmosphere of academic excellence and classroom discipleship to prepare servant-leaders for Great Commission living. True education produces individuals with both "hands of skill and hearts for God" (Psalm 78:72). The CABC faculty is committed to train individuals whose chief desire is to serve the Lord so they will be motivated to serve others in their chosen field of ministry.

We reject the idea of a value-free education. We believe that truth is centered in Jesus Christ and that all knowledge should be related to Him. We believe the Bible should be the philosophical foundation for all subject matter and that it is a faithful guide for all curricular and pedagogical decisions. By committing ourselves to carefully and purposefully delivering truth in the classroom, we seek to produce future servant-leaders who can likewise communicate biblical truth with clarity and passion.

To accomplish this goal, we strive to offer courses that provide students with both academic theory and character development in a rich hands-on learning environment. This emphasis allows us to equip students with the ability to confront the unforeseen challenges of the future while enabling them to have immediate success in a variety of ministry settings. In order to continue his education and to graduate, a CABC student must demonstrate both academic competence and godly character consistent with the vision, values, and philosophy of the Institution's mission and ministry.

Statement of Academic Freedom

We are committed to maintaining a climate of academic freedom in order to promote integrity in the delivery of truth. We recognize that arbitrarily limiting the open discussion of ideas can be counterproductive and could threaten the validity of the education process. However, we affirm that our commitment to academic freedom must not lead to unbridled license in the classroom. All legitimate freedom exists within structure; indeed, freedom must be given structure to have meaning. Thus, Central Africa Baptist College is firmly committed to maintaining an atmosphere of academic freedom within the framework of the Institution's mission statement, doctrinal statement, biblical foundations, core values, and philosophy of ministry.

Statement of Nondiscrimination

Central Africa Baptist College does not discriminate on the basis of race, color, sex, disability, or national or ethnic origin in the administration of its educational policies, admission practices, scholarship programs, athletic programs, or any other college-administered program.

Statement on Training Women

We believe that because God created people as male and female in His image (Gen. 1:26, 27; 5:1-2), men and women are equal in nature, value, and spiritual status (Gal. 3:27-28; 1 Pet 3:7). This spiritual equality is affirmed by the fact that men and women both receive spiritual gifts for service to the church (Acts 2:17-18; 1 Cor. 12:7,11; 1 Pet. 4:10).

We believe God has assigned different roles to men and women in marriage, and in the church. In marriage the husband is to lovingly lead as head over his wife (1 Cor. 11:3; Eph. 5:23) and the wife is to graciously submit to the leadership of her husband (Eph. 5:22,24,33).

In the Church God does not permit women to teach or occupy a position of authority over men (1 Cor. 14:33-36; 1 Tim. 2:11-14; 3:2; Titus 1:6). This prohibition is to be obeyed by all Churches (1 Cor. 14:33-34; 1 Tim. 2:11-14).

We believe that the New Testament teaches only two offices in the local church (Phil 1:1); elders (1 Tim. 3:1; Acts 20:28; 1 Pet. 5:1-2; Titus 1:5-7), and deacons (Phil. 1:1; 1 Tim. 3:1-13). The work of elders is to attend to the ministry of the word, prayer, and watching over souls because they must give an account to Christ (Acts 6:4; 1 Cor. 9:6-14; Gal. 6:6; 1 Tim. 3:2; 5:17; 2 Tim. 2:4). By virtue of the office, elders are delegated their authority by Jesus Christ and the congregation (1 Tim. 3:1, 5, 5:17; Heb. 13:7, 17, 24).

Since we seek to be faithful to Scripture in this regard, CABC does not train women for pastoral ministry. Women are free to take any course that deepens their understanding of the

Bible, enables them to rightly divide the word of truth, equips them for a life of ministry, and prepares them for local church ministry to women and youth. CABC reserves the right of admission to courses designed for Pastoral ministry.

Statement on Marriage and Human Sexuality

The institution of marriage has been valued by every culture and society throughout human history. Central Africa Baptist College & Seminary believes marriage is an institution ordained by God and prescribed by Scripture to be a monogamous relationship between a man and a woman physically created in these respective genders by God. We believe God intended heterosexual marriage to be an enduring covenanted relationship established before Himself and man to propagate the human race, lovingly express healthy relational and sexual intimacy, and picture the covenant relationship He has with all genuine believers.

Basis of Authority for Marriage and Human Sexuality

Our understanding of marriage and application of its meaning is grounded in more than established human tradition and existing cultural norms. The Bible speaks clearly and authoritatively to the matters of marriage, consensual sexual activity and gender identity. Its clear teachings on these matters govern and are central to the beliefs and practices of CABC and serve as the final authoritative grounds for the content of this position statement. (*See CABC Doctrinal Statement on Scripture*)

The Scriptures teach that God created man and woman in His image (Gen. 1:27-28), brought them together in the life-long covenant relationship of marriage and blessed this union (Gen. 1:28). Furthermore, the Scriptures make plain that this first marriage was intended to be an authoritative pattern for all future human marriages as evidenced by the teachings of Moses (Gen. 2:18-24), the Wisdom books (Prov. 12:4; 18:22; 31:10; Eccles. 9:9), the Prophets (Mal. 2:13-16), the Apostles (1 Cor. 7:1-16; Eph. 5:21-33; Col. 3:14-19; Heb. 13:4; 1 Pet. 3:1-7), and Jesus Himself (Matt. 19:4-6; Mark 10:1-9).

Marriage is a covenantal life-long relationship between a woman and a man who were physically created and assigned these genders by God (Gen. 1:27; Ps. 139:13-16; Matt. 19:4; Mark 10:6). We believe God intended heterosexual marriage for the propagation of the human race and the loving expression of healthy relational and sexual intimacy, and to picture the covenant relationship He has with all believers (Eph. 5:22-33).

Context for Human Sexuality

Human sexuality is part of God's divine design for human beings (Gen. 1:28). However, the Bible restricts all forms of consensual sexual activity to within the boundaries of the marriage relationship (1 Cor. 7:1-5; Heb. 13:4). The Bible clearly prohibits not only non-consensual sexual misconduct (Deut. 22:25-27) but also any consensual sexual activity outside the boundaries of heterosexual marriage (1 Thess. 4:1-8). Furthermore the Bible specifically names as sinful and prohibits any form of sexual activity between persons of the same sex (Rom. 1:26-27; 1 Cor. 6:9-10; 1 Tim. 1:10), polygamy (Matt. 19:4-6; 1 Cor. 7:11), incest (Lev. 18:6-18; 1 Cor. 5:1), bestiality (Exod. 22:19; Lev. 18:23; 20:15-16; Deut. 27:21; Gal. 5:19; Eph. 5:3; Col. 3:5), adultery (Exod. 20:14; Mark 10:19; Luke 18:20; James 2:11), and fornication of any sort including pornography (1 Cor. 6:9-10; 1 Thess. 4:3-8; Lev. 18:20).

Statement about Gender Identity

God created man and woman in His image as two distinct but equal genders which He intends to use for His glory (Gen. 1:26-27). Furthermore, individual gender is assigned by God and determined at conception (Ps. 139:13-16). Therefore we believe that to intentionally alter or change one's physical gender or to live as a gender other than the one assigned at

conception is to reject God's right as Creator to assign gender to His creatures and is a personal rejection of His plan to glorify Himself through the original gender He assigned that individual (1 Cor. 10:31).

Christianity's Redemptive Nature and Sexual Desires

The Bible recognizes that many human beings will experience sexual desires that do not conform to the norms that God commands. These deviations are not alternative lifestyles but a result of our fallen nature, which we have inherited from our first parents—Adam and Eve. This fallen nature causes us to crave what we have no legitimate right to (Romans 7:7–8). The good news of Jesus Christ is that when He saves us from sin He not only brings us God's forgiveness but also breaks the power of these cravings in our lives. Whereas these illegitimate cravings are worse among those who are not converted, they are not totally absent in believers but can be present in different degrees (Romans 7:15–17). Believers need to surrender their sexual appetites to the lordship of Christ so that by His Spirit He may subdue any cravings in them that are not honoring to God (Galatians 5:16). This is the redemptive nature of Christianity. It brings hope to all human beings.

Posture Toward Those Who Disagree with Us

All of us are sinners. We live in a world broken by sin and are called to live out our biblical beliefs among those who may disagree with us. We desire to do so in ways that honor God and point them to Him (1 Pet. 1:11-12). We believe every person must be treated with respect and compassion and are committed to living out our commitments to these biblical standards with grace and humility. We also believe that we are called to speak God's truth in love (Eph. 4:15) as we call all men to recognize that all human sinfulness is an offense to God (Rom. 3:10-11; Rom. 6:23a), that God has displayed immense grace and mercy toward all sinners (Eph. 2:1-10), and that He offers a full and free forgiveness through Jesus Christ to all who repent and forsake their sin and turn in faith to Him (Acts 3:19-21; Rom. 6:23; 10:9-10; 1 Cor. 6:9-11; 1 John 1:8-9).

Preference is for the Dean of Students to be the second person. If he is unavailable, another member of Admin or Faculty can be involved. After the student interview, those involved in the Admissions interview will discuss and determine if the student has a credible testimony of faith and would benefit from being at CABC. The decision must be unanimous in favor of accepting the student.

After a decision is made in the Admissions interview, the Admissions Officer is responsible to draft a letter stating the acceptance or denial. This letter must be signed by a member of Administration and the Admissions Officer.

Readmission

Re-admission guidelines apply to any student who began a program and subsequently missed more than two consecutive semesters. To be considered for re-enrollment, a student must submit a letter of intent and recomplete the application process with the Admissions Office. When re-admission is granted, the director of Admissions informs the student of acceptance.

Re-enrollment After Dismissal

A dismissed student may not return to CABC until the completion of the required number of semesters for sitting out, as outlined by the Administration. If a student wants to return to CABC after dismissal, he or she should send a letter of intent and application for re-enrollment to the administration accompanied by a letter of recommendation from their local church pastor. The Administration meets to consider the student's application for re-enrollment. After discussion, the student must appear for an interview. If re-admission is granted, the Director of Admissions informs the student of his or her acceptance.

Scholarship Opportunities

All scholarships are awarded as funds are available based on the recommendation of the scholarship committee. Applicant qualification does not guarantee scholarship award.

100% Tuition Scholarships

10/40 Scholarship – This scholarship is available to those who are applying from unreached people groups or areas within Africa. This helps CABC realize the vision of seeing the gospel to every village, town, and city across Africa. The Scholarship Committee will evaluate the student's request and decide if the applicant is from a strategic area of influence for the gospel. The Committee may decide to limit the number of students from a particular area in order to allow room for other unreached areas. Prospective students in this category may also apply for 100% room and board; however, this decision is based on demonstrated need and the approval of the Scholarship Committee. In special circumstances when the financial need is great, the Scholarship Committee may choose to award scholarship funds to cover medical expenses, travel expenses, dorm expenses for break periods, or personal expenses.

Spouse Scholarship – This scholarship is available to the spouse of any full-time Bible student. Interested spouses will need to register as a student and apply for the scholarship. If awarded, the spouse will be allowed to take classes at the level for which they are approved (degree, diploma, certificate, or audit). If they are taking a course for credit, they must adhere to the normal course attendance policies. This applies only to spouses of undergraduate Bible students who are currently enrolled full time or spouses of currently enrolled graduate students who have completed our undergraduate program. After graduation, the spouse may continue, but the scholarship will expire, and regular charges will apply.

25% Tuition Scholarships

Pastor/Alumni Scholarship – This scholarship is available to the biological child of a Pastor who is currently pastoring a church or the biological child of a CABC alumni. If funds are limited, priority is given to alumni. This scholarship applies to the Bible program only and is limited to tuition costs.

Staff/Faculty Scholarship – This scholarship is available to the biological child of a full-time staff or faculty member serving at CABC. This scholarship applies to the Bible program only and is limited to tuition costs.

The maximum discount is 25% per child for both of these categories.

Financial Grants

A financial grant is a one-time donation to the student's bill. The grant amount is determined by the Scholarship committee. It is only available to current students. It is not available to first year students in the first semester.

Scholarship Guidelines

- Scholarship opportunities are offered to students who are already accepted to CABC. Prospective students must first be accepted before submitting a scholarship request.
- Scholarship opportunities are normally applied to tuition costs only. However, at the discretion of the scholarship committee, the 10/40 Scholarship are sometimes applied to room and board.
- Scholarships are awarded by committee decision. Applicants are not guaranteed a scholarship.
- If an applicant receives a scholarship, it is valid for only two years. If a student does not attend CABC within two years (the year applied for and the next), the scholarship will no longer be available and the student must re-apply.
- Scholarship awards are continuous throughout the student's program as long as the student remains in fulltime status with good academic standing.
- If a student receives a scholarship and decides to sit out a semester or longer, the scholarship is automatically revoked and the student must reapply.
- If a student receives a scholarship and is suspended from CABC, dismissed from CABC, fails a course, or is under academic probation, the student's scholarship is re-evaluated by the Scholarship Committee and may be revoked.
- Scholarships are dependent on donated funds and are available only when scholarship funds are sufficient.
- Scholarship requests are due by 15 January.
- Financial grant requests are due by 15 January for the first semester and 15 May for the second semester.
- Scholarship questions should be directed to the Admissions Office.

Scholarship Application Guidelines

Applicants must submit the following to the scholarship committee:

- A letter of request that includes:
 - The scholarship for which you are applying

Academic Office

General Information

Course Scheduling

For the Bible program, the credit hour is the unit of instruction at Central Africa Baptist College. A minimum of one 50-minute class period per week in lecture classes constitutes one hour of credit. A semester is 15 weeks in length including final exams. Block classes must meet an equivalent number of hours for the number of credits assigned.

For the Education program, the classes are determined by ECZ. The number of hours for each class is determined by the length of the ECZ syllabus for each class.

Academic Load

For students in the Bible program, taking 3 or fewer classes is considered part-time. 4 or more classes is considered full-time. The maximum credit load for any semester is 19 credits. Registration for more than 19 credit hours requires a cumulative GPA of 3.0 and special permission from the Deputy Vice Chancellor Academics.

Students in the education program have a set full-time program for each of three years as required by ECZ. Part-time students in the education program are those who have failed 3 courses and are retaking those courses.

Transfer Credit

Bible program students who are interested in transferring credits earned at recognized four-year colleges and universities must submit a letter of transfer request to the Deputy Vice Chancellor Academics and attach transcripts. This must be done before or within the first year of studies at CABC. The decision is made by the Deputy Vice Chancellor Academics based on course structure, course content, and academic achievement. Courses can transfer as general elective credits and may not transfer for core courses in any program of study. CABC will not accept more than 25% of the over all program as transfer credits.

For the education program, students can transfer only if they come from an ECZ recognized school. They will be admitted on the basis of their prior year examination results. Students can be accepted on a part-time basis if they are retaking failed courses. A student who transfers later than July 31 must delay and begin the next year.

Academic Advising

In order to assist new students to adjust more quickly to campus life at CABC, a required orientation program is scheduled for the registration week prior to the start of classes. During this week, each new student meets with the Academic office personal to discuss matters relating to course scheduling. The Academic office personal continue to assist the student in academic matters throughout the student's college career and monitor the student's academic record for satisfactory progress each semester.

Although sound academic counseling is given through the advising system at CABC, the responsibility for proper registration for each semester rests with the student. The student is responsible for planning his program to satisfy all graduation requirements.

Registration

Registration for incoming first year and transfer students occurs at the beginning of each year. Students must attend registration on the designated day. A Bible program student must be accepted and registered within the first week of class. After the first week of class, students will not be accepted into the Bible program. An education program student must be accepted and registered within the first three weeks of class. After the first three weeks of class, students will not be accepted into the education program.

Block Class Registration

Students are required to attend the February, July, and December block classes; however, the student is not required to take all of them for credit. At the beginning of each block class, the student will declare if he/she is taking it for credit. Since first year students have not yet chosen an emphasis, they must take all block classes in the first year for credit. This applies to lady students only if the block classes are not expository preaching oriented.

Audit Registration

Students enrolled in a CABC program may desire to benefit from course instruction without being accountable for class assignments and exams. Students can request to audit courses that are not required for their program. The audited course cannot conflict with a student's required program and the audit request form must be approved by the Program Dean.

Faculty, staff, or students not enrolled in a CABC program who desire to take classes for personal enrichment may seek approval to audit classes. They must complete an application form with the Admissions department and receive an acceptance letter for audit only. After receiving an acceptance letter for audit, they must apply for each individual class audit with the Academic Office. The Program Dean must approve audit requests.

Course work for an audit is at the teacher's discretion. There is no credit for an audited course; a grade of AU is entered on the student's transcript for an audited course. Students who audit a course cannot participate in the final exams. Audited courses cannot be retaken for credit. Certificate program classes are excluded and cannot receive audit codes on a transcript.

Spouse Registration

The spouse of any full-time Bible student may take classes at no additional charge. Interested spouses will need to register as a student and will be allowed to take classes at the level for which they are approved (degree, diploma, or audit). If they are taking a course for credit, they must adhere to the normal course attendance policies. This applies only to spouses of undergraduate Bible students who are currently enrolled full time or spouses of currently enrolled graduate students who have completed our undergraduate program. After graduation, the spouse may continue, but regular charges will apply.

Dropping & Adding Classes

The first week of classes for the Bible program is considered drop/add week. There is no penalty for changes in the first week. All class changes after the first week must be submitted on a drop/add form to the Program Dean for approval. Courses dropped after the first week will be considered as a withdraw.

The student's transcript will reflect either withdraw passing (WP) or withdraw failing (WF). Because the education program is determined by ECZ, drop/add does not apply to the education program courses.

Program Withdrawal

If a student desires to withdraw from their program after the first week of classes, he or she must meet with the Dean of Students and complete a withdraw form. The student must also make any necessary arrangements with the Business Office and the Academic Office. The Dean of Students will provide the final signature to approve the official withdraw. The student's transcript will reflect either withdraw passing (WP) or withdraw failing (WF).

Class Attendance

Students enrolled at CABC are required to be in attendance for every scheduled meeting of each class for which they are registered. However, occasional situations may arise which cause a student to miss class. For each class that a student misses, he or she must fill out a cut form and have it signed by the Deputy Vice Chancellor Academics within two weeks of absence. If a student fails to fill out a cut form within two weeks of absence, the absence will be considered unexcused and the student's final grade will be reduced by 3% (Bible Program) or a student's continuous assessment grade will be reduced by 2 points (Education Program).

Regardless of the reason, no student can miss more than three weeks of class for a semester-long course, or six weeks for year-long course. For courses in the Bible Program, if a student misses more than three weeks of class, he or she will fail the class based on attendance. He or she will be dismissed from the class, and will not be able to complete the course work or take the final exam. For courses in the Education Program, if a student misses more than six weeks of class, he or she will receive a 2 point reduction in the continuous assessment grade for each absence over the limit.

When the Deputy Vice Chancellor Academics or his Administrative Assistant signs a cut form, he or she will decide if the cut is elected or excused. If the cut is elected, the student may not be able to make up work or may incur late penalties from the instructor. If the cut is excused, the student will be allowed to make up work without penalty. No more than one third of the total available cuts can be taken as elected. Elected cuts that exceed the limit will be counted as unexcused and the penalty stated above will apply.

Cut forms will not be signed after the two-week deadline. Instructors do not need to allow students to make up work who haven't shown an approved cut form within two weeks of absence.

Students are expected to arrive on time for class. If a student arrives late to class but before the first 15 minutes, he or she is considered tardy. The first three tardies are considered excused, but every tardy after three will result in a 1% reduction in course grade, or comparable continuous assessment deduction for education students one point reduction for every two tardies over the limit. If the tardy was unavoidable, you may appeal your case to the instructor immediately after class. The decision is left to the instructor's discretion.

Academic Probation

For the Bible program, a cumulative grade point average of 1.50 or higher is required in each semester. If a student earns less than a 1.50 in any semester, he or she is placed on probation the next semester. Academic probation limits a student to 12 credits.

For the Education program, students that fail 1 or 2 courses may proceed to the next year and are allowed two attempts within two years to pass the failed courses. Students who fail 3 courses may not proceed to

the next year. They must retake the failed courses. Students who fail 4 courses may not proceed to the next year. They must retake all courses in the previous year. Students who fail more than 4 courses are excluded from the program and may not re-enroll in another education program. Students in their third year who fail 1 to 4 courses will be allowed two attempts within two years to pass the failed courses.

Student Records

CABC will not release student records without the student's permission. At the beginning of each year, students will sign an information release form on which they list the people who have permission to receive their information/records. This information release form can be updated at any time in the Academic office.

WP – Withdraw Passing

Students who withdraw from school or are suspended from school will receive a WP in every course that they are passing at the time of the withdraw or suspension. Courses with this code do not count for credit.

General Information

The goal of Central Africa Baptist College is to serve students by offering a quality program at reasonable cost. We trust you will find our financial arrangements acceptable as you consider the value of training in a Christian college. We encourage students to seek financial counsel from the Dean of Students as soon as they are aware of a need.

Central Africa Baptist College's financial procedures are based on the biblical principle of responsible stewardship. Recognizing that finances are a sacred trust from God and must be managed as such, all students must learn and practice scriptural principles of financial responsibility (I Cor. 4.17). Freedom from debt through God's provision of needed funds, through one's own labor, or through miraculous answers to prayer (Phil 4.6,19) help students learn, practice, and build life patterns of financial freedom.

Because a debt can be a snare that prohibits or hinders effective Christian service, CABC's policy is to limit the amount of debt a student may incur while enrolled in the college. This policy precludes the enrollment of students who are currently in debt and lack a detailed debt-retirement plan. Before they are allowed to enroll for another semester, students must have all outstanding CABC bills current and be able to make their first full payment of the new school semester. Before transcripts or diplomas can be released, all college bills must be paid.

Payment Policy

All student bills must be paid at the bank. The business office will not accept payments for student bills.

Bank:	Stanbic Bank Plc
Account No:	9130001668068
Account name:	Central Africa Baptist College
Branch:	Kitwe Branch

The initial tuition and boarding payment is due before arriving to campus. For dormitory students, the medical fee is also due before arriving to campus. When a boarding student makes these initial payments, he or she will be given a pass to move into the dorms. If a student does not make these initial payments, he or she cannot move into the dorm and will not be able to begin classes. If a student arrives on campus when the business office is closed, he or she will be directed to a temporary bed in the dorm until the initial payments are verified.

After the initial payment, the remaining tuition and boarding bill is split over 3 additional payments, one month apart. If a student pays the whole amount for the semester before classes begin, he will receive a 5% reduction in cost.

Remaining payments are due on the first of the month according to the payment plan specified below. If a student is owing, the business office will print a PDF of a student's bill by the 15th of every month and deliver it to the student's mailbox. This gives a two-week notice for students.

If a student fails to pay the amount due by the first of the month, he will be removed from class until payment is received. If a boarding student is removed from classes for financial reasons, he or she will be given a grace period of 48 hours before being asked to leave the dorm. The 48 hours grace period applies to semester payments, not the initial payment.

Please refer to the current fee schedule for the cost breakdown of tuition and boarding.

Refunds and Withdraws

If a student is suspended or expelled from CABC, no refund will be given. If a student voluntarily withdraws during the first 10 weeks, tuition is refunded based on his withdrawal date as noted in the schedule below. If the account adjustment results in an outstanding balance still owed to the college, the outstanding balance is due immediately. For all withdrawals, tuition account adjustments are based on the student's last date of class attendance. Upon receipt of written confirmation, students who submit payments before classes start but do not attend classes are eligible for a 100 percent refund.

- Before the end of one week of classes 90%
- Before the end of two weeks of classes 80%
- Before the end of three weeks of classes 70%
- Before the end of four weeks of classes 60%
- Before the end of five weeks of classes 50%
- Before the end of six weeks of classes 40%
- Before the end of seven weeks of classes 30%
- Before the end of eight weeks of classes 20%
- Before the end of nine weeks of classes 10%

Note: Room and Board charges are prorated on a weekly basis from the first day of school and are based on the student's last day on campus. All other fees are nonrefundable.
